

RECYCLE — on — THE GO

DIY STENCILS

MATERIALS

- ▶ recycled cardboard {old boxes, grocery bags, etc.}
- ▶ scissors
- ▶ X-acto knife or razor blade
- ▶ chalk, paint or spray paint

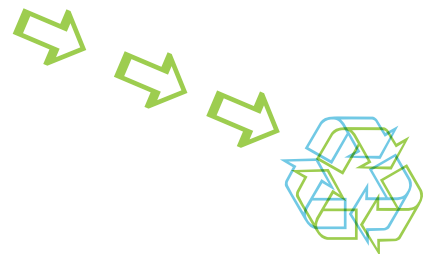

Print out and transfer stencils to promote recycling at any {sporting event, birthday party, special event, convention center, park} by directing attendees to the nearest recycling bin!

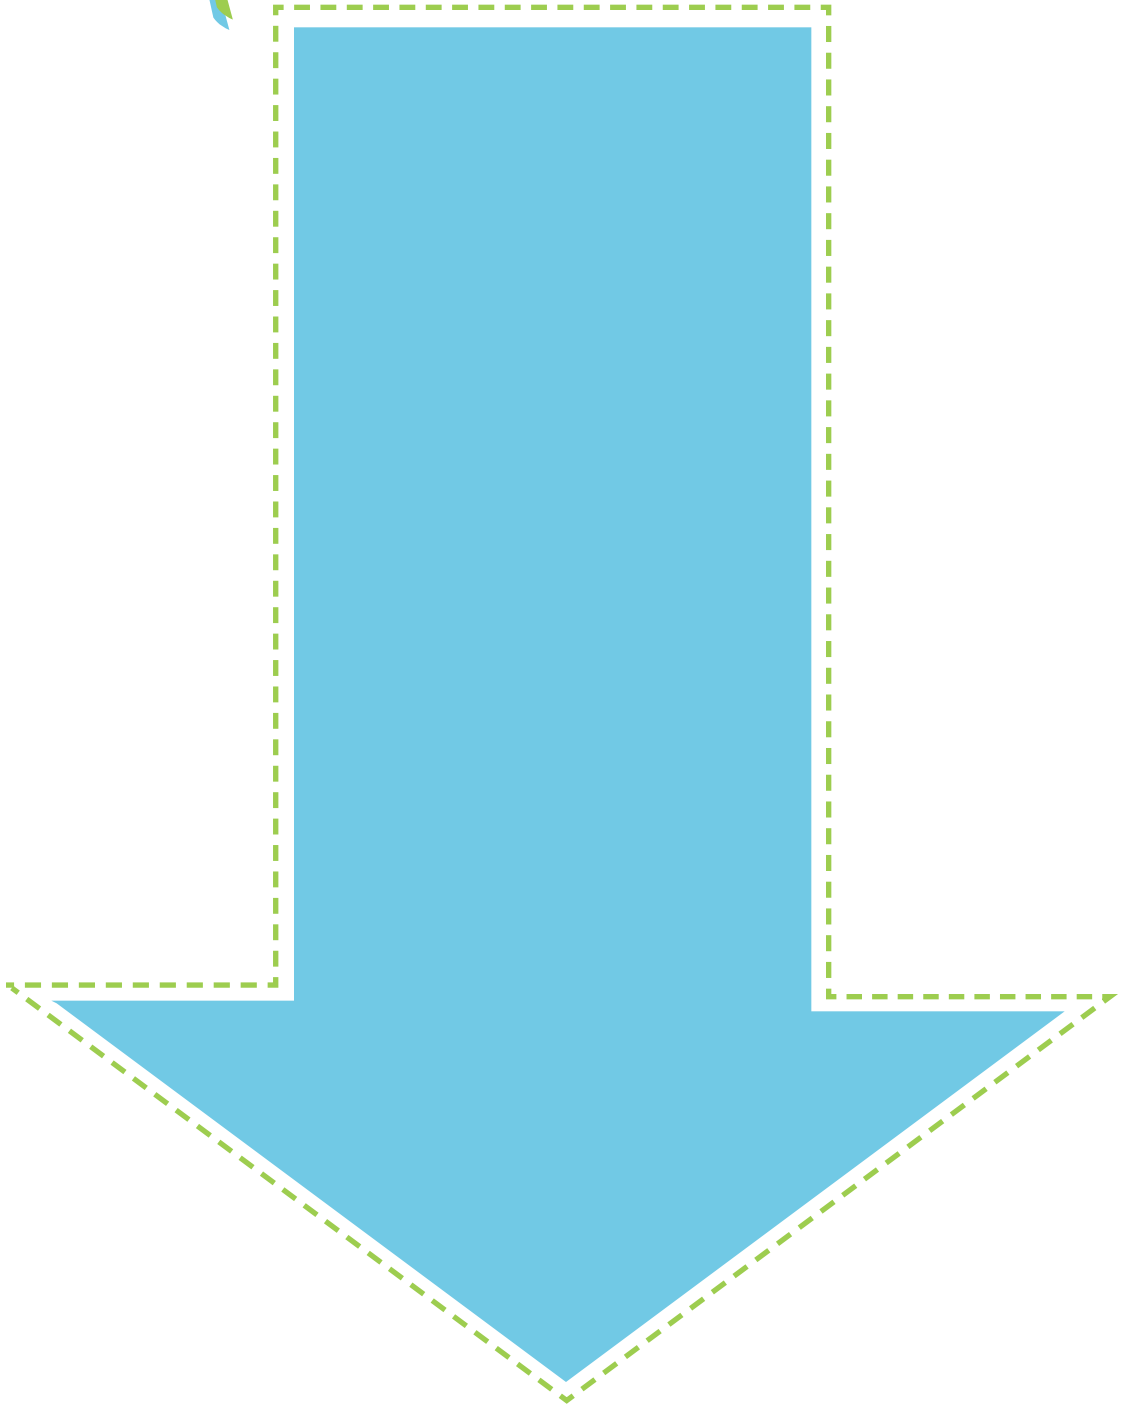

INSTRUCTIONS

- 1 Print out stencil template
- 2 Cut along the dotted line
- 3 Trace onto recycled cardboard
- 4 Using an X-acto knife, carefully cut out arrow shape discarding the center arrow in a recycling bin
- 5 Using chalk or spray paint, stencil the arrows in a path leading to the nearest recycling bin!
